

# Fraser Valley Dirt Rider Campground

Campground road starts here. (Sites are not drawn exactly).

Big yellow gate should have a lock on it. The combination changes each season.

Somewhere on the highway before you hit Hope there is a sign that says Hope next 4 exits. Take the 3<sup>rd</sup> one. If you miss it and get the 4<sup>th</sup> its ok it will lead you back to the light where you zero the trip meter and turn right to Kamloops.

The road turns from paved into dirt here. Big sign: Nickelmine Tailings Pond Off Road Motorcycle Area. Stay right here and go up the steep hill. Don't pause, just go up!!

Zero the trip meter here!

Sign here says 5km to an Esso. Slow down and look for the little green sign!

Tiny Green Road Sign: BC Nickelmine Road turn left.

If you hit the Esso, turn around you went too far!

Tip: A few blocks down Wallace on the right is the Blue Moose, stop for a coffee and a bio-break

Map not even close to any scale!!
